Roland Wild is a Partner in our Taxation Group in Zurich. He has experience in all aspects of tax law, particularly in corporate tax law, and provides both advisory and forensic services. He specialises in advising clients in the financial industry, in particular banks, asset managers and insurance companies, on financing and tax planning. Roland also advises on tax matters during the due diligence, structuring and integration phases of M&A and real estate transactions. In addition, Roland regularly lectures on tax-related topics and is the author of various professional articles and commentaries on tax matters.

Expertise
- Taxation
- Financial Services
- Blockchain-Technologies & FinTech
- Real Estate Industry

Experience
- Advising various domestic and foreign financial institutions in claiming Swiss withholding tax refunds, including representation before the tax authorities and in court
- Providing tax advice to domestic and foreign clients on financing transactions, both to banks and to companies
- Advising various issuers in Switzerland and abroad on the tax-efficient issuance of their financial products
- Tax advice to domestic and foreign real estate companies on the acquisition and sale of their real estate portfolios, both in the context of tax due diligence and the tax-efficient structuring of the holding structure
