Join us for our inaugural Monaco Conference, bringing together international wealth planning professionals for a day of strategic insights and high-level networking in one of the world's leading wealth management centers.

The wealth planning landscape continues to evolve rapidly.

This comprehensive conference addresses the most pressing challenges and opportunities facing international wealth advisors today, from global relocation strategies to luxury asset structuring, digital assets, and multi-generational wealth transfer.

Equip yourself with the insight needed to serve your clients in a fast-changing world.

Whether you're navigating complex succession planning scenarios or exploring international wealth structures, you'll leave with practical tools and strategic insights to enhance your practice.
